

Lake of the Ozarks
Regional Economic Development Council
Quality Life. Quality Business.

As you may know a number of agencies, organizations and businesses have joined together to enhance the efforts of economic development opportunities at the Lake through the creation of the Lake of the Ozarks Regional Economic Development Council (LOREDC). Started over ten years ago as an informal exchange of information between communities throughout the tri-county region we have now evolved into a structured committee with the purpose to retain and attract businesses to the Lake with the understanding that what is good for one community is good for the entire region. (LOREDC) list of ongoing achievements and current focus include the following;

- Maintain a regional demographic profile for Camden, Miller & Morgan counties.
- Maintain www.LOREDC.com that contains vital statistics and information regarding our region.
- Work with MSW Interactive to develop an engaging social media campaign utilizing Facebook, LinkedIn, YouTube, Blogger, Google + and Twitter.
- Present LOREDC business awards to include *Business Partner of the Year, Business Person of the Year & Emerging Enterprise of the Year*.
- Assist Lake of the Ozarks Council of Local Governments with strategic planning for the CEDS.
- Continue to provide regional demographics, working with Xcelligent and LOTO COLG to inventory sites in the region, and working to establish state certified sites in the region.
- Maintain available sites and buildings on Location One.
- Feature guest speakers at the monthly LOREDC board meetings.
- Partner with Ameren Missouri to develop a Lake of the Ozarks Quality of Labor Study.
- Successful passage of Bill 1506 that creates matching grants for economic development groups in rural Missouri. We are currently working with our legislators on the funding for this Bill.
- Working on an in depth Lake Area Housing Study.

This collective effort takes many resources including proactive members interested in the present and future of the Lake's economic growth. We appreciate your support of LOREDC. There is an open invitation to attend the monthly LOREDC board meetings at 12:00 noon on the third Thursday of each month at Golden Corral in Lake Ozark, MO. Included you will find the LOREDC membership investment schedule to select an investment category that best suits your organization. If you need more information feel free to contact me at (573) 348-1599. Thank you again for your continued support.

Respectfully,

Tim Jacobsen
President
LOREDC

Lake of the Ozarks
Regional Economic Development Council
Quality Life. Quality Business.
